

Hi Janet

We recently ordered some Permanon Universal Cleaning paste from you and I must say it was fantastic .

It's the only thing that's cleaned our tiles in our showroom having spent £1,000's of pounds on specialised cleaning a £28 tub of Permanon is the only thing so far to remove the tyre marks from our tiles" absolutely brilliant".

We also use Permanon Car Supershine on our specialist vehicles which looks fantastic, the vehicles seem to look cleaner for much longer periods and when we do clean the actual vehicle again it much easier to clean. Once again brilliant!!!!

Kind regards Keith
